Governor Patrick has filed "House Bill 59: An Act Providing Retirees Healthcare Benefits Reform" based on the Other Post-Employment Benefits Commission (OPEB) report.

If H59 is signed into law, 60% of the MOSES membership will be forced to work longer to qualify for health insurance benefits in retirement. For example, a MOSES member must reach the age of 60 and have 20 years of service (up from the current 10 years) to qualify for the health benefit at a 50% premium share contribution. [Please click here for additional details.](#) For example, the Commonwealth's contribution to a retiree's monthly premium would be:

MOSES will fight to preserve the current retiree health insurance premium split, but success in opposing this bill will only come with your help. Suggested talking and writing points to follow shortly.
